Bring Your Own Art!

The Portable Festival of Portable Art is an experimental exhibition curated by Institute Parachute, to be held in association with The Works Art & Design Festival. The festival-within-a-festival will feature games, sculptures, conceptual experiments, and whatever the unannounced participants bring, ie. puppet shows, collapsible or flying objects, balloon sculpture, time machines, science experiments, dramatic play, speeches, research presentations, robots, magic tricks, concept bands, bicycles, *etc.*
